Hank-

Congratulations on your appointment to the position of Deputy Director. (Somewhat belated, but I do not get things done on time as I once did.) Very pleased to hear you had been selected for this position. It gives me a feeling of security to know you are up there directing on going activities.

George Bush gave a very interesting talk to our Kennebunk-Kennebunkport Chamber of Commerce the other evening. We all came away feeling he will be a fine director. (my morning bicycle ride takes me past his house each morning)

I continue to believe the agency an outstanding organization. Proud

to have once been a part of it.
Strongly support it up here.

With you and George Bush
at the top I feel the agency is in
good hands.

Again, congratulations
Hank.

Cheers -

STATINTL

Hope to see you up this way sometime.
